

Single Scissors

Our largest product group, single scissors, is available in a range of designs, all equally flexible, stable and ergonomically well thought-out. Lift tables is commonly used as a means for handling materials directly on the factory floor or as a lorry loaders outdoors at a loading dock.

- ▶ T-model lift tables are Swedish-made and of the highest quality. They can be customized based on your own needs
- ▶ C-models are our affordable options and come in standard design with a range of accessories
- ▶ Special dimensions and other customizations can be quoted on request

TL 2000
